- If you are a first-time user, click the “Create a Student Account” link below the login box.

Step 3: Search for internships & jobs.

- Find the top navigation bar and click the “job/internships” tab and then select “Aggie Job Link” from the drop down menu.
- On the job postings page, use the drop down menus on the left to narrow your search, but remember broad searches with fewer criteria produce the most postings.

- Follow directions. You may need to call or email the contact.
- If required to apply through Aggie Job Link, upload your resume, cover letter and unofficial transcript to Aggie Job Link. Find the top navigation bar and click the “documents” tab, then on the “documents page” click “add new” and browse your computer for the file you want to upload.
